

HOME SAFETY

June 2017 | No. 11

SCM

SULLIVAN CURTIS MONROE
INSURANCE SERVICES, LLC

This is the eleventh issue in a series of educational newsletters on risk solutions from Nationwide Private Client, compliments of SCM's Personal Risk Management Division.

Home Safety

Our approach to home safety extends beyond an insurance policy. Proper coverage is an important firststep— especially when it comes to theft. To reduce yourrisk, consider incorporating the following prevention tips into your everydaylife.

Home Safety Tips

- Install a monitored alarm system that provides both perimeter and interior protection, and activate it whenever possible. As a client, you may be eligible for premium discounts for installing this type of device.
- Install deadboltlocks on exterior doors. Keep windows closed and locked while away from home. Install security bars inside the track of sliding glass doors or windows to prevent unauthorized entrance.
- Ensure the exterior of your home is well lit at night, preferably with motion sensors. Position lights to eliminate shadows or blind spots.
- If you have electronic keypads to access garage doors or other points of entry, choose your passcode wisely.
- Never hide spare keys outside of your home. Consider asking a trusted neighbor to keep one for you.
- Secure valuables and important documents in a safety deposit box or in-home safe. Home safes should be anchored to the floor or wall and well hidden.
- Consider installing a locked mailbox at your home. Do not leave outgoing mail with personal information in an unsecured mailbox for pick up.
- Never allow strangers into your home. Always ask for identification from service and delivery people.
- If you plan to be away for an extended period of time, make your home appear occupied with interior lights on timers. Ask a neighbor to pick up newspapers and/or mail, and do not leave garbage cans at the curb.

We offer this information to assist you in making decisions that can help mitigate your risk. While we cannot address every possible scenario or guarantee these tips will work for you, our goal is to support your efforts to protect yourself and your family. For more information, please email SCM's Personal Risk Management Division at prinfo@sullicurt.com or call 800.427.3253 and reference "Nationwide newsletter."
