Help Avoid Coronavirus by Taking Preventative Steps

The coronavirus (COVID-19) is making news. While many details about the disease are evolving on a daily bases, you can take preventive actions.

Please follow the [Center for Disease Control \(CDC\)](#) website for the latest news and recommendations about COVID-19.

COVID-19: \$0 Cost Sharing & Relaxed Restrictions

Health Net is waiving member cost share (deductibles, copayments, and coinsurance) for medically-necessary COVID-19 screenings and tests, as well as doctor office, urgent care and outpatient hospital (including emergency departments) visits for medically necessary COVID-19 related services.

We have also waived the requirement for prior authorization, and prescription refill limits for medically necessary COVID-19 related services. In addition, we have relaxed restrictions on home or mail delivery of prescription drugs.

Visit the Health Net Alerts page for more details. [Click here](#)
