
Supporting customers as you ramp up business

Now many weeks into the COVID-19 pandemic, some states are cautiously reopening, while others eagerly await reopening announcements. When it is safe, we, too, look forward to having our employees return to our offices to resume more typical business operations.

Helpful resources

Until that time, we continue to focus on supporting our shared customers through the pandemic and making plans to help you ramp up business. We are sharing quick-read resources to help you get started and stay safe. You'll find more information and tips in our [COVID-19 agent resource center](#).

Our shared commitment to be there

Together, we have been there for our customers when they need us most – during this pandemic and countless times before. To tell the story of our shared commitment, we've created a [video for you to like and share on social media](#). We hope you will help spread the word about the peace of mind and value we deliver together.

Our local teams are ready when you are

We are grateful for all you do to support our shared customers. We look forward to getting back to business with you. Please reach out to your local contacts to discuss how we can assist you. Stay safe. Stay well.
